Subject: Re: Enrollment info

Greetings Vickie,

Will do! That's a big discrepancy. Our numbers have been lower this school year and we haven't had 137 at one time since the year started, yet I will get this to you ASAP (prior to the deadline).

Thanks,

Hi Celest,

See data below. Data reflects your current enrollment numbers reported by you and the FY18 FTE count. Difference is 37 students. I need to know who the students are that transitioned back and what services they are currently receiving and the (location). See attached spreadsheet. Please send this information via portal email to me and copy Lakesha by December 18th. Let me know if you have questions.

Thanks
